Parental consent form for Minors to attend winter open road Club rides

I, being the parent/guardian of _____ understand and agree that my son/daughter participates in club rides on the open road entirely at his/her own risk.

I have considered the nature of such sessions and have discussed them with my son/daughter. I am satisfied that my son/daughter is sufficiently responsible and competent to assume responsibility for his/her own safety.

It is the parent's/guardian's responsibility to ensure that their child arrives with a bike that is in a safe condition to ride. A cycling helmet should be worn at all times during the club rides and bikes must be fitted with working lights. Riders are also expected and encouraged to carry sufficient tools & spare inner tubes etc to be able to deal with any mechanical issues that may arise during the rides. Mud guards are also appreciated.
